QUICK GUIDE · MEMBERS' MAP

SPOTS *in one page*

7,500+ photo spots, places to eat and sleep, workshops, trails and live alerts — shared by a community that takes care of places.

1 Join (free)

- Go to **fabiocostaph.com/#join**: name, email and password — or **Continue with Google**.
- I approve every request personally, usually within a day.
- Meanwhile you see the **public preview**: one spot every ~15 km, approximate position.

2 Find places

- **Search** a spot or a town, or tap **Near me** and pick the radius (1–50 km).
- **Scan this area**: viewpoints, huts, parking and water from OpenStreetMap.
- Filter by category; ❤ **My spots** shows the places you saved.
- The **full-screen** button: the whole map on the whole screen.

4 Share

- **Add a place**: only category, name and coordinates are required.
- Treks: put the pin on the **start of the trail**; add difficulty, time, slope, parking.
- **Workshops are free to list**: dates, places, price, link, offers.
- On any place: **photos**, **reviews with real prices**, **alerts**, ⚑ **flag**.

5 Community

- **Meetups**: "Meet here" on any place, then "I'm in". Gone on the day.
- **Photographers' map**: create your profile; 📣 **I just posted** makes your icon glow.
- **Local experts** verify places and look after their area.
- Write for the Journal or join the crew: **#crew**.

6 Our code

Leave no trace · **Protect fragile places** (no geotags, small groups, no drones near wildlife) · **Respect people and property** · **Support local** — eat, sleep and buy locally · **Share honestly** — your own photos, real prices, true alerts · **Be kind**.

Many spots have not been visited by me: always check access, rules, weather and conditions before you go. You visit any place at your own risk.
