QUICK GUIDE · FORMERLY SPOTS

WAYFOLK *in one page*

The travel toolkit built by travellers: 8,000+ places scouted with a photographer's eye (some I've shot, many found while researching future trips), signed and reviewed by the folk who go, plus trips, Pass it on and live alerts.

1 Join (free)

- Go to **fabiocostaph.com/#join**: name, email and password — or **Continue with Google**.
- **Pick your folk** (one or more): you're in straight away and can explore, sign, review and add places.
- Sign your first **3 places** and you're folk for real. The first 100 get a **Founding folk** number.

2 Find places

- **Search** a spot or a town, or tap **Near me** and pick the radius (1–50 km).
- **Scan this area**: viewpoints, huts, parking and water from OpenStreetMap.
- **Places** (photo spots, points of interest, trekking), **Essentials**, **Community**, **Pass it on**; ♥ **My spots** = your saved places.

3 Read the map

- Photo spots
- Workshops · Trekking (pin = trailhead)
- Green ring: Support local
- Dashed: Fragile — leave no trace, no geotags
- Meetup · Pass it on
- Photographer · Traveller
- Food & drink · Stay
- Red dot: live alert (closed, works, crowds, danger)
- Glowing: new place or workshop · %offer · ✈last places
- Verified by a 🧭 local expert, who looks after the area
- Trip start · ⚑arrival
- Contributor · </> Developer

4 Share

- **Add a place**: only category, name and coordinates are required.
- Treks: pin on the **start of the trail**. **Workshops are free to list**.
- **Choose your folk** (Photo, Hiker, Backpacker, Road trip, Nomad, Foodie) and ✍ **sign** the places you've been to, with a tip.
- On any place: **photos**, **reviews by folk** with real prices, **alerts**, ⚑ **flag**.

5 Community

- **Trips**: tap the map (or right-click) for each stop, say how you got there. **Pass it on**: sell or give away what you don't take home.
- **Meetups**: "Meet here", then "I'm in". **Photographers & travellers** on the community map.
- **Local experts** verify their area: sign enough places there to become one.

6 Our code

Leave no trace · **Protect fragile places** (no geotags, small groups, no drones near wildlife) · **Respect people and property** · **Support local** — eat, sleep and buy locally · **Share honestly** — your own photos, real prices, true alerts · **Be kind**.

Many spots have not been visited by me: always check access, rules, weather and conditions before you go. You visit any place at your own risk.
